

## **Photography Sessions**

For appointments please contact Woods Tree Farm for a reservation and details. We will contact you to confirm your request.

From the day after Thanksgiving to Christmas and posted events throughout the year the farm is open to the public. Woods Tree Farm reserves the right to prohibit business disruptions to daily operations due to photography sessions or other activities. If any fixed or temporary objects are moved or damaged during a session, the photographer is responsible for replacement and/or payment.

### **Fees for Professional Photographers:**

\$30 per hour with no minimum hours. Can have multiple clients during your time.

Full day use will be \$140. From 9am until Dusk. A web link will be sent for payment.

Payment is due when scheduling.

Photographers will need to sign the photography agreement and waiver, and submit the signed form to Woods Tree Farm before the session.

### **Rescheduling and Cancellations:**

When requested at least 48 hours in advance of a scheduled session, cancellations will be accepted and refunds will be issued.

No refunds will be given when a cancellation is given within 48 hours of a scheduled session, this includes in the case of inclement weather. We'll work with you as best as we can to reschedule your session at your convenience, subject to availability. We don't allow more than 2 photographers on the property at a time, so rescheduling can become tricky during busy times.

### **IMPORTANT REMINDERS:**

- Please be courteous and polite to all visitors, customers, staff, and the land.

- Wear clothing appropriate for a rugged farm environment, including closed-toe shoes
- Fake snow is not allowed as it makes a mess and does not disintegrate.
- Be aware of insects, thorns, uneven ground, mud and other natural threats
- Use care and caution around trees and landscaping.
- NO TREES OR FLOWERS or any other plants may be trimmed, cut, or otherwise harvested by the photographer or his/her clients. Full retail price will be due for any product harvested.
- No public area may be closed or blocked to customers during regular business hours for your photo shoot.
- Vehicles are NOT allowed in Christmas tree fields under any circumstances. All props, furniture, etc. must be carried to your photoshoot location. We recommend bringing a wagon to transport props and other items. We can help if asked in advance with props. Please remove all props before your departure.
- Make sure your clients have the information they need to find the farm ahead of time. Cell phone service is not great and you may not get their call. We advise meeting your clients in the parking area.
- No professional Santa characters may be on site while Woods Tree Farm is open to the general public.
- No smoking on the property.
- Dogs are permitted only when the farm is not open to the public and must remain on leash at all times. Please pick up after your pets. Several trash cans are conveniently located around the property.
